

**BOONE COUNTY WATER RESCUE  
MONTHLY REPORT**

**November 2008**

**GENERAL ACTIVITIES**

- 1. 2 Team meetings, supervisor meetings with CCWR**
- 2. Beginning stages of preparing the 2009-10 budget**
- 3. Working on our building project, the goal is to have the boats and vehicles under roof before winter.**
- 4. Various meetings with Campbell County Water Rescue Chief Joe Davis on the proposed merger.**
- 5. Beginning winter preparations for boats and equipment on going.**
- 6. Detail: Gallatin Tn. Over 30 federal and state departments unsuccessfully searched for 2 weeks trying to locate a helicopter and pilot that crashed into the Cumberland River. Sumner County Emergency Management requests that we try to locate the aircraft. A crew of 4 left Friday November 14<sup>th</sup>, we located the aircraft in 54 feet of water after working 3 days. All expenses were paid by Gallatin Co. and insurance representative.**
