Body of Missing Teen Found in Lake

Posted: 4/14/2006 4:47:00 PM
Updated: 4/14/2006 5:19:58 PM

The search for a missing Macon County teen, who was suspected to have drowned, ended Friday when divers found his body.

The sheriff's department said divers found the body of Johnathon Hudson in waters 118 feet deep at Dale Hollow lake.

Hudson disappeared after he fell from a boat last month.

The 16-year-old football player was with a group on Spring Break when the accident happened.

Hudson was a junior at Macon County High School.
